Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The village does not need anymore shops. There are already 3!! One of which has just been refurbished. We are a small village that already struggle with influx of traffic from 'Gatwick parking' & people using shortcuts. There is no need for a Tesco to be put in the village. We should be supporting the small family businesses that we already have!!

Kind regards
