Reasons for comment:	
Comments:	Young teens hanging around a Tesco express would mean more groups of teens roaming the village late at night. They already deface property and graffiti the village. More speedy traffic through the village when it requires speed bumps over a Tesco. We already have a Morrisons local and two corner shops what is the point of a Tesco store. It will be

competitive for the shops already here and people are using happily. Waste of tax payer money and time when actually speed bumps throughout the village is a better use of money.

Kind regards
