Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I am astounded that another convenience store in the village is even being considered! We already have three! The junction with Brookhill Road is already very busy and dangerous, particularly at prime times and I believe this proposal, if it were allowed to go ahead, would increase the chance for serious accidents to occur and further traffic chaos.

Kind regards
