Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Reasons for objection are the already difficult and busy T Junction on the site proposed. Already restricted parking for existing local shops. Village already has 3 convenience stores, one of which supports a local post office which has recently been extensively refurbished and is a very valuable asset to the village and elderly population and would be next to the proposed site.

Kind regards
