Subject: DM/25/1882 - Summer Lodge, Copyhold Lane, Cuckfield

Dear Andy,

I have reviewed the AIA and TPP for this proposal and whilst I don't object, I would like to clarify that the Arboriculturist will be supervising the excavation within the RPA of the category B oak tree, as well as inspecting the ground protection to ensure it is adequate, prior to the crane being used on site. Presumably, there is adequate space for the crane to slew, without damaging trees.

Kind regards

Emma
