Subject: RE: Planning application DM/25/1800 - Woodside Grange, Hassocks

Dear [REDACTED]

I refer to your email which I have been forwarded as a representation for the current planning application under DM/25/1800, which relates to part of the garden at Woodside Grange. I have reviewed the submitted Location and Site Plans and I cannot locate the right of way that you state is 'indicated on the map as K11'.

The proposed vehicular access route for the proposed two houses is marked with a red outline on the submitted plans. This is via the existing track which extends to the site in a westerly direction off Ockley Lane, not from Woodlands Road.

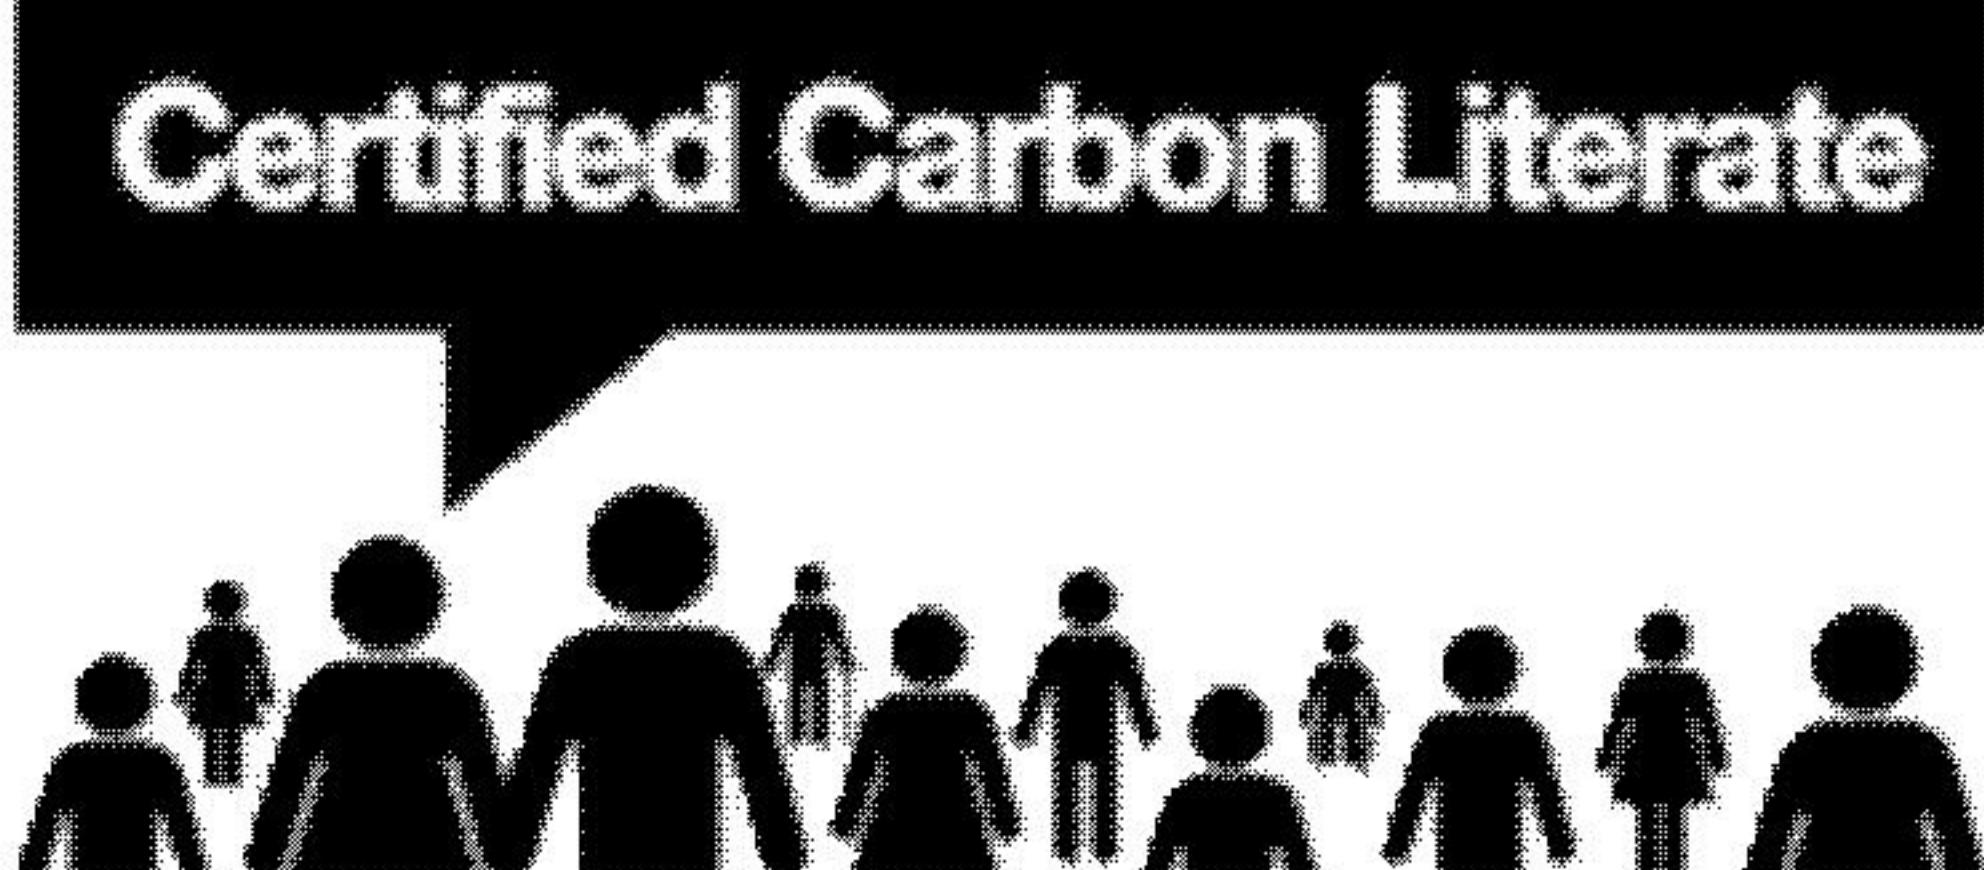

Your question regarding the rights of access to Woodside Grange is a separate matter to my consideration of the application under DM/25/1800, and not an issue that I will be considering in the determination of the application. May I suggest that you direct your question to the owners of Woodside Grange to answer.

Regards
Anna Tidey
Planning Officer

Submit your planning application online.

Can you please let me know what vehicles can use the right of way indicated on the map as K11
At the moment we get quite a few cars passing my house coming from K11 together with motor scooters
and motor bikes, which make it dangerous for us living at the bottom of Woodsland Road due to the speed
they are going.

Theres nothing to stop me driving up to Woodside Grange and continuing on to Keymer Road as a short
cut.

I think the residents of Woodside Road may have permission to use it but only for there own cars.
Thanks
