Good Afternoon Paul,

I hope you are well,

Thank you for taking my call this afternoon, as discussed we would not carry out a pre-development enquiry due to their on being 5 connections, I can confirm our assets have sufficient capacity to enable your 5 connections to be carried out.

I have changed your application over to a services application where you will receive an estimate for 5 individual connections, your application has also put on hold at your request, please feel free to contact us when you are ready to move forward with your application.

Kind Regards

Developer Services Team
