Dear Mr King,

Re: Land at Hurst Farm, Hurstwood Lane, Haywards Heath – DM/22/2272

As one of the closest neighbours to this proposed development I would like to make the following observations for your consideration. Whilst the focus of the variation is around the access, there are changes to the drawings which include removing a strip of land between the proposed dwellings and those on Fox Hill. This appears to have no net gain for the site, but rather have a serious impact on those neighbouring the site. Having new dwellings built within 4 meters of your property is both unpleasant and unnecessary in this case.

No other properties in this part of Fox Hill are this close or densely built and there is sufficient unused space within the site to accommodate the housing requirement without blighting the existing properties.

I appreciate your attention to this matter and would be happy to discuss my concerns with you in more detail or provide further information if needed. Thank you for your time and consideration.

Yours sincerely
