With reference to my conversation today I have added my address

Stefan

I hope you got my second official letter of objection specifically mentioning the noise.

I have also been doing some research about some other councils who have not agreed to having courts due to all the issues.

Are West Sussex going to be a council that sticks its neck out to agree to having the courts.

Hope to hear from you.

Dear Kay,

Thank you for your email.

At this moment in time, I am awaiting a response from our Environmental Protection consultants regarding their view on the re-submitted noise impact assessment. Once this has been received, it will be clearer as to which route the application can progress towards.
