Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to the proposed application for the following reasons:- Rare bats and dormice and other wildlife live on the site. Our wildlife should and must be protected. The area does not have the appropriate infrastructure for such a large development. I am a patient at Northlands Wood surgery and it is extremely

difficult to get a appointment currently without adding hundreds more patients.

Northlands Wood school is already at maximum capacity and cannot take any more pupils.

The roads are already congested without adding another 200/300 hundred cars.

Kind regards
