ANDREW.HORRELL@MIDSUSSEX.GOV.UK**

The Council hereby confirm that their **prior approval is not required** for the above development to be carried out in accordance with the information submitted:

Information submitted by the developer

Plan Type	Reference	Version	Submitted Date
Topographical Survey	250725_100		27.10.2025
Planning Layout	250725_101		27.10.2025
Location Plan	250725_102		27.10.2025

INFORMATIVES

1. The development must be carried out within a period of 5 years from the date on which approval was given and in accordance with the details submitted with the application.

2. Within 7 days of the date on which the development is substantially completed, the developer must notify the local planning authority in writing of that fact.
3. The applicant is advised to review the existing on-farm slurry and manure storage and ensure compliance with the SSAFO Regulations. These regulations require you to inform the Environment Agency, verbally (Tel: 03708 506 506) or in writing, of a new, reconstructed or enlarged slurry store, silage clamp or fuel stores at least 14 days before starting any construction work.
