Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Developers never listen same old tripe that they will mitigate or make excuses for items raised. Lack of local infrastructure and amenities gone straight over their heads. Comments such as bus

shelters proves they have not even walked through our village or they would realise how stupid this comment is.
My objections remain exactly as stated in my original objection of the 18 Dec 2025 as nothing has changed not in principal or detail.
Thanks

Kind regards
