If the proposal does not comply with the permitted development criteria and the volume allowance, then planning permission would be required for the development. My informal opinion is that the local planning authority would have concerns with the box like dormer window which would not be considered to comply with the Council's Design Guide: <https://www.midsussex.gov.uk/planning-building/supplementary-planning-documents/> . Pages 98 and 132 of the Design Guide refers to dormer windows and encourages small cottage style dormer windows that sit subordinately within the roof slope. Therefore if planning permission is required for the development, I would recommend that smaller cottage style dormers are proposed, otherwise the application may not be approved.

we would like to encourage support for this application through the recently approved application -DM/22/3896 21 Hamsey Road, Sharpthorne, East Grinstead, West Sussex, RH19 4PA, ,Proposed rear dormer and front facing velux window to create loft room.

CONCLUSION

Planning legislation requires the application to be determined in accordance with the development plan unless material considerations indicate otherwise. It is therefore necessary for the planning application to be assessed against the policies in the development plan and then to take account of other material planning considerations including the NPPF.

The proposed rear dormer window and rooflight is considered to be acceptable in terms of its design and position and would not cause significant detriment to the character of the area or neighbouring amenities. In addition, the proposals are considered to conserve the landscape character of the HWAONB. The application therefore complies with Policies DP16 and DP26 of the District Plan, the Mid Sussex Design Guide, the High Weald Management Plan as well as the requirements of the NPPF.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
