Aldi - Hayward Heath - Application Reference: DM/24/3077

[REDACTED]  
Dear Officer,

Application Ref: DM/24/3077

I am writing to submit my comments in support of a new Aldi store in Haywards Heath.

This application would deliver a number of benefits to the local area, including:

- Up to 40 new jobs in the area
- Greater affordable produce during a cost of living crisis

I hope that the council will act in the interests of local people by approving this application.

Kind regards
