Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I have studied the plans provided and am pleased to support the development. Being a resident in the adjoining block, I feel it completes the whole estate with a quality design and that no further developments will be allowed in the future. Adding this block in this location will help with site security, especially at night.

Kind regards
