Hi Emily

I hope you are well.

Tim kindly forwarded me the below. Sorry I was not available, I was on holiday.

The builder has the brick sample panel, can you please let me know some preferred dates and I can make sure it is on site for you to view.

I had also noticed on the planning portal that you were not able to view the documents to allow you to comment on conditions 5-8. I believe that Tim sent these to Katherine, however I attach these to this email for your comments.

Lastly, I see that you have commented on the use of the Cotswold Limestone. We propose that this is changed to Wealden Sussex Sandstone, by Lambs, see here: <https://www.lambsbricks.com/products-photos/24#h1> and image below. I hope that is sufficient. I also attach this to a word document for upload if needed.

Dear Tim

I hope this email finds you well?

I am writing in connection with the above discharge of conditions application to make an arrangement to view the sample brick panel which I understand is available on site. I will be in the area tomorrow around midday- would I be able to gain access to see the sample then, and if so where would I find it?

Apologies for the short notice- if this is not convenient I can suggest an alternative date and time.

Many thanks,

Emily Wade
