Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	College lane does not have the road space to provide more houses. This lane is the only diversion route when the high street is closed. It is completely impossible to then get through the village. Any road that can only handle single lane traffic should not have further properties built on it. There is a long stretch of this road that has no pavement meaning that people either have to drive (with environmental impact) or risk getting hit by cars.

Kind regards
