The Council hereby notify you that they **GRANT** planning permission for the above development to be carried out in accordance with the submitted application and plans and subject to compliance with the following conditions:-

1. The development hereby permitted shall be begun before the expiration of 3 years from the date of this permission.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

2. **Approved Plans**

The development hereby permitted shall be carried out in accordance with the plans listed below under the heading "Plans Referred to in Consideration of this Application".

Reason: For the avoidance of doubt and in the interest of proper planning.

3. No development shall be carried out unless and until a schedule of materials and finishes to be used for the external walls and roofs of the proposed dwelling have

been submitted to and approved by the Local Planning Authority. The works shall be carried out in accordance with the approved details unless otherwise agreed with the Local Planning Authority.

Reason: To enable the Local Planning Authority to control the development in detail in the interests of amenity by endeavouring to achieve a building of visual quality and to accord with Policy DP26 of the Mid Sussex District Plan 2014 - 2031 and Policy EG3 of the Neighbourhood Plan.

4. No development shall be commenced until such time as plans and details have been submitted to and approved in writing by the Local Planning Authority showing the site set up during construction. This shall include details for all temporary contractors buildings, plant and stacks of materials, provision for the temporary parking of contractors vehicles and the loading and unloading of vehicles associated with the implementation of this development. Such provision once approved and implemented shall be retained throughout the period of construction.

Reason: To avoid undue congestion of the site and consequent obstruction to access and to accord with Policy DP21 of the Mid Sussex District Plan 2014 - 2031.

5. The development hereby permitted shall not commence unless and until details of the proposed foul and surface water drainage and means of disposal have been submitted to and approved in writing by the local planning authority. The new dwelling shall not be occupied or brought into use, until all the approved drainage works have been carried out in accordance with the agreed details.

Reason: To ensure that the proposal is satisfactorily drained and to accord with the NPPF requirements and Policy DP41 of the Mid Sussex District Plan 2014 - 2031.

6. No part of any concrete foundations or tree planting, and no construction activities shall be within 3 metres of any public sewer unless approved by Southern Water.

Reason: In the interests of protecting the drainage system on the site and to accord with Policy DP41 of the Mid Sussex District Plan 2014 - 2031.

7. No part of the development shall be first occupied until the car parking has been constructed in accordance with the approved site plan. These spaces shall always thereafter be kept for their designated purpose.

Reason: To provide car-parking space for the use and to accord with policy DP21 of the Mid Sussex District Plan 2014 - 2031.

8. No part of the development shall be first occupied until covered and secure cycle parking spaces have been provided in accordance with plans and details to be first submitted to and approved by the Local Planning Authority.

Reason: To provide alternative travel options to the use of the car in accordance with current sustainable transport policies and to accord with Policy DP21 of the Mid Sussex District Plan 2014 - 2031.

9. The works shall be carried out to accord with the submitted Arboricultural Survey and Constraints report by Ben Larkham Associates Ltd, dated 26.10.2017 and his accompanying letter, dated 07.11.2017, unless otherwise agreed with the Local Planning Authority.

Reason: To ensure the retention of vegetation important to the visual amenity of the area and to accord with Policy DP37 of the Mid Sussex District Plan 2014 - 2031.

10. No work for the implementation of the development hereby permitted shall be undertaken on the site on Sunday Bank/Public Holidays or at any time other than between the hours 8 am and 6 pm on Mondays to Fridays and between 9 am and 1 pm Saturdays.

Reason: To safeguard the amenities of nearby residents and to accord with Policy DP26 of the Mid Sussex District Plan 2014 - 2031.

11. The Obligations under the planning obligation by way of unilateral undertakings dated 22.06.2018 and 21.01.2021 pursuant to the previous applications DM/19/2165 and DM/20/3080 will be equally applied to and satisfy the requirements necessitated under this application DM/23/1000.

Reason: To ensure that the development, either on its own or in combination with other plans or projects, does not have a likely significant effect on a European site within the Conservation of Habitats and Species Regulations 2010 and to comply with policy DP17 of the Mid Sussex District Plan 2014-2031 and policy EG16 of the East Grinstead Neighbourhood Plan.

APPEALS TO THE SECRETARY OF STATE

Notes for Applicants

If you are aggrieved by the decision of your Local Planning Authority to refuse permission for the proposed development or to grant it subject to conditions, then you can appeal to the Secretary of State under Section 78 of the Town and Country Planning Act 1990.

If you want to appeal against your local planning authority's decision then you must do so within 6 months of the date of this notice;

However, if

- (i) this is a decision on a planning application relating to the same or substantially the same land and development as is already the subject of an enforcement notice, and you want to appeal against your local planning authority's decision on your application, then you must do so within 28 days of the date of this notice; or
- (ii) an enforcement notice is subsequently served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application, then you must do so within:
 - 28 days of the date of service of the enforcement notice, or
 - within 6 months (12 weeks in the case of a householder appeal) of the date of this notice, whichever period expires earlier.

Appeals can be made online at: <https://www.gov.uk/planning-inspectorate>.

If you are unable to access the online appeal form, please contact the Planning Inspectorate to obtain a paper copy of the appeal form on tel: 0303 444 5000.

The Secretary of State can allow a longer period for giving notice of an appeal but will not normally be prepared to use this power unless there are special circumstances which excuse the delay in giving notice of appeal.

The Secretary of State need not consider an appeal if it seems to the Secretary of State that the local planning authority could not have granted planning permission for the proposed development or could not have granted it without the conditions they imposed, having regard to the statutory requirements, to the provisions of any development order and to any directions given under a development order.

If you intend to submit an appeal that you would like examined by inquiry then you must notify the Local Planning Authority and Planning Inspectorate (inquiryappeals@planninginspectorate.gov.uk) at least 10 days before submitting the appeal. [Further details are on GOV.uk](#).
