The LBC Heather Facing Brick 65mm Red is used across the country for housing. The clay material makes the product strong and a high quality facing brick, which is ideal for extensions and renovation projects. This product is made with naturally occurring materials - colour and texture will differ due to the various locations it is sourced from. This should be considered if using this product for decorative purposes.

Features & benefits

- High quality facing brick
- Contain recycled content and can be recycled at the end of use
- Contribute to thermal mass
- Manufactured to BS EN 771-1
- BES 6001 Responsible Sourcing certification
