MID SUSSEX DISTRICT COUNCIL

DM/26/1087

**15 Sackville Close, East Grinstead, West Sussex, RH19 2SG, , ,
Poplar tree - Fell.
Tina Coomber**

Permission is sought for the works as described.

The application has been amended as the tree was misdescribed as a beech, rather than a poplar.

The tree is a mature specimen, located to the side of the property, It appears to be 90% dead and leans onto the roof. It exhibits a number of Ganoderma resinaceum fruiting bodies, substantial buttress root damage and decay, and large areas of missing bark. The tree will never recover and poses a risk to householders and garden users.

Permission is recommended.
