Reasons for comment:	
Comments:	This area is vital for our local area. It a fantastic green space where we can go on local walks, enjoy our surroundings, and take dogs for walks. Furthermore, the bike jumps in the woods provide a much needed outlet for young people where there is not much for them to do in this town. We have local schools which are already overcrowded and talking about increasing class sizes. Adding these home will only increase this burden and problem.

Kind regards
