Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I'm sure you have had many objections mentioning lack of infrastructure to support this housing which I do agree with but my biggest concern is the loss of green space. This particular area became crucial to me and my family during lockdown. Many many of the days, especially when we were limited in how far we could go from home, this particular area became our sanctuary. The ability to walk from our front door to a calm space full of nature and different trails and options became a

necessity, not a luxury, to bolster our mental health.

As such I strongly object to this proposal.

Kind regards
