Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I strongly object to this - I live in Barnmead and have grown up in the area for the past 30+ years. This is already a heavily populated area of Haywards Heath especially since the Penlands Green development. Infrastructure, schools and amenities are already stretched and traffic is heavy along this stretch of the Balcombe Rd into Haywards Heath with frequent potholes. MSDC are well aware of poor drainage and flooding in this side of the town.

The bike track in Wickham Woods is an invaluable community space for my teenage son and his friends to go riding and spend time together doing a sport they enjoy away from the town centre and over a decade of hard work has gone into creating this which has helped so many teens with mental health struggles.

Many dog walkers and families enjoy use of the open space and surrounding fields in this area and it would be a great shame to see this developed on.

Kind regards
