Reasons for comment:	
Comments:	I live nearby and my local bike Jumps are right next to it and as they are right next to it I'm scared that the building of the houses will stop me from being able to go to the bike Jumps and another reason that I object is the fact that this is one of the only green spaces left in Haywards Heath. I have also seen many dog walkers and other people just walking by enjoying it and I think they'd be quite annoying if houses supposed to be built there as nowadays every single green space is getting new houses built on it so it's nice to just keep a bit of greenery out.

Kind regards
