Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Appears that no planning or investment to support the local infrastructure. Balcombe Road is becoming very busy with traffic. This also removes green space and reduces the bio diversity of the area. Penland Green has already decimated bio diversity in the area. No doubt if this does get planning the houses will be unaffordable to many people including young people who desperately require affordable homes.

Kind regards
