Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We strongly object to the proposed development which will have a huge impact to the local community and wildlife. We have first hand experience of flooding in this area and feel that building these proposed houses will contribute to more problems regarding this issue. Parking is also a massive issue for Stockwell Road, due to previous planning of houses, care home and Dunnings Mill pub. All of whom use Stockwell Road as overflow for their own private parking. Putting huge pressure on the residents of Stockwell Road.

Kind regards
