Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Completely out of character for a rural location. My main concern is the increase of vehicles coming out onto a dark tree lined road. The road is very narrow with a very narrow footpath on one side only. It will lead to high volume of cars using Coombe Hill private road as a cut through, We live in Hurst Farm road and it is supposed to be 30mph and cars constantly exceed the speed limit. The new estate will increase traffic on our road. Increase illegal parking outside the school when dropping off children at the Meads primary school. There is already two childrens pre school

nurserys in the road and this estate will increase pedestrian crossings in the road making it extremly dangerous at peak times
No to this development.

Kind regards
