Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Why can't the existing nets be used. It's the same location as all the other buildings. Putting those nets at the proposed site will look an eyesore. That area is the skate park, mini basket ball area and play park. The public use that area alot and shouldn't be shoved out for a sport only played in the summer.

Kind regards
