Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Please stop approving new developments in Sussex on green spaces, there have been so many and our environment is being destroyed, roads are already so busy and dangerous, full of potholes, schools over subscribed and doctors too. so many other places to build but its cheaper to just destroy our precious countryside, at what point is Sussex full and once we have destroyed the environment our wildlife will never recover as well as no investment in local services. please object.

Kind regards
