

A close-up photograph of a dark grey metal roof. The roof features two rectangular skylights with dark frames. The metal panels are arranged in a vertical ribbed pattern. In the background, a wooden fence and green foliage are visible.

A close-up photograph of a window featuring horizontal wooden louvers. The louvers are made of light-colored wood and are partially open, revealing a dark interior. The window frame is dark, and the wall below it is made of red brick.

A diagram of a building facade. The upper section is dark grey with four small, square, white-framed windows. The lower section is light orange with large glass doors and windows. Callout 1 points to a black dot on the orange wall. Callout 3 points to a black dot on the leftmost glass door.

A diagram of a house with a chimney. A line connects the chimney to a box containing a colon and the number 2 (: 2).

A diagram of a two-story building. The top floor has four square windows, and the bottom floor also has four square windows, for a total of eight windows.

A 3D architectural rendering of a modern building with a dark, gabled roof and large glass windows, situated on a green hill. The building features a prominent glass facade on the left side and a solid orange-brown wall on the right. The roof has three skylights. The building is set on a grey foundation against a light yellow background.
