### Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I wish to object to this application for the following reasons - The access on to Hammerwood Road would seem to be highly dangerous and unsuitable. At school drop off/pick up hours the lane is double parked, with children/parents crossing the road. The additional traffic arriving and exiting onto Hammerwood road, via Yewhurst Close, associated with 12 new homes would add to the existing overload of cars. Hammerwood Road is used by many dog walkers and horse

riders as it leads directly onto bridleways and footpaths in both directions - Cansiron Lane and Thornhill Road.
