| Stance:              | Customer objects to the Planning Application                                                                                                                                                                                                           |
| Reasons for comment: |                                                                                                                                                                                                                                                        |
| Comments:            | The mast (as proposed) will be detrimental to the Beeches development and to properties without direct benefit. There is uncertainty as to the effects on health of local residents and children, including in particular those with medical implants. |

Kind regards
