Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I totally object to the master planned near our homes on Rocky Lane. It is enormous and very very close to our homes. There must be places to place such an enormous mast further away from such a built up area. It will be right next to family homes. Something that size will be very powerful. Other masts in the

Haywards Heath area are much smaller in comparison. I am extremely concerned by the eye saw next to protected woodland of the woodland trust.

Kind regards
