Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I would like to express my support of this project as it will benefit not only community events and other events taking place at St. Hill but also provide parking facility for the Rugby Club and Sports Club and with that prevent partially blocking the road when people

park alongside it. This is a very much needed facility that will benefit the whole community.

Kind regards
