Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	I think that this would be amazing for the local community events such as the Charity Ball which supports local charities and Easter Egg hunt. Thousands of people attend this and has such a great atmosphere and having parking available will only enhance these

community events,
Seeing that the car park would also be available to the
neighbouring Rugby Club and Sports Club events is a win win in
my view allowing one and all to take part,

Kind regards
