Reasons for comment:	
Comments:	The Church of Scientology at Saint Hill has increasingly been a contributor to the well being and development of the local area for the past 67 years. Relying as far as possible on local suppliers and trades, Saint Hill makes a very large contribution to the local

economy and during COVID helped greatly with keeping the local population informed, safe, and well with its decontamination programme and booklets. The proposed developments are designed to improve safety and facilities at Saint Hill for their very popular events, many of which the people of East Grinstead also attend, like the Easter Egg Hunt, Bonfire Nights and Skating Rink. The parking will also benefit East Grinstead Rugby Club and avoid parking on the side of the road.

Kind regards
