Reasons for comment:	
Comments:	This is an excellent idea that will benefit the local community. It could remove parking on the street when the Rugby Club or sports club receive lots of attendees. Also, it will help when Saint Hill church hold big events, like the one in October, bonfire night,

the Easter egg hunt and so on. It will be much better than ruining your shoes trying to squelch through mud from where you've parked. I truly support this idea.

Kind regards
