Reasons for comment:	
Comments:	I fully agree with the application for the parking facility as it will help not only the Church's international gathering each year but will also be very appreciated by all the people who attend events

at Saint Hill (Easter Egg Hunt, Bonfire Night, Christmas events, etc.). I have been at some of those events myself and on rainy days it gets very muddy and it makes it difficult for parents with baby to move through the mud and for every one it would be much nicer to be able to not walk on a muddy surface when getting out of their cars, also it would makes it much easier for the car so it does not get all muddy.

I live across the road and I have also seen many times the Saint Hill field being used by events at the Rugby and football club and the East Grinstead sport center, so that will help all the people coming to these events too.

Kind regards
