Reasons for comment:	
Comments:	<p>There are a few reasons why this application should be rejected but to name a few:</p> <ol style="list-style-type: none"><li>1. Demolition of these two houses would leave one house as an island. This would have two roads either side of that house.</li><li>2. One of these houses has a shared garage, and nothing has been agreed with the other home owner.</li><li>3. The traffic down Kiln Road leading to Woodlands is already strained. Residents are very concerned today of the current flow, and it's not clear how the new traffic system would work.</li><li>4. Local infrastructure. Our local doctors and schools would be unable to take extra families.</li></ol>

Regards,

Kind regards
