How is 48 dwellings going to benefit Crawley down village??

It is still impossible to get a doctors app. We have an eye sore derelict pub.  
A park that was suppose to be refurbished from another development that hasn't happened?  
Tennis courts left to ruin.  
Playing fields with inadequate drainage so unusable for most of winter. Which has been a knock of effect for football  
prices for children's training as we are having to train on Astro pitches in other areas!!!  
This village is in desperate need on an Astro pitch!!

Also we are now on a hose pipe ban which we have every year so why is building more houses going to help this  
situation???

Are they putting money into building a new reservoir? Or access water from elsewhere?
