### Comments Details

**Commenter Type:** Neighbour or general public

**Stance:** Customer made comments in support of the Planning Application

**Reasons for comment:**

**Comments:** After receiving a written information notice, which was hand-delivered to my property, I attended two public information events. The first took place in October 2024 at a neighbour's house on Park Road. It was very well attended and successfully raised much-needed funds. Shortly afterward, I attended a larger Information Evening at Burgess Hill Academy, which attracted a

broader and more diverse audience and was also well supported.

I fully support this Application. It will enable the building to be brought up to standard, particularly in terms of accessibility for people of all abilities. This facility will serve not only the immediate community but also benefit residents from surrounding boroughs. It is clear to me how valuable this asset will be, and I look forward to seeing the project move forward.
