Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I believe that the gradual enclosure of the Escots Farmhouse and Barn is a loss of amenity to the general public. Notwithstanding the loss of view out from these properties, the view up, properly visible for Escots Drive, will be lost to those of us who use this road daily. In the past, planning has been refused on this site. It is for good reasons detailed by others on this application. Specifically, it may contravene the Mid Sussex District Plan (DP35). Please be sure you know what you are approving!
