Subject: DM/26/0414 Gravelye House, Hanlye Lane, Cuckfield

Hi Catherine

Comments on the above planning application.

Gravelye House is a Grade II listed late 16th century former farmhouse located in a rural position to the north of Haywards Heath. The current proposal relates to the oil tank to the property which is located within a close-boarded timber enclosure a short distance to the north-west of the house, and is for the slight relocation of the tank within the existing enclosure, for safety reasons. There will be little or no impact on the appearance of the installation from outside the enclosure and minimal impact on the setting of the listed building.

The proposal is therefore considered to preserve the setting of Gravelye House, its special interest and the manner in which this is appreciated. This meets the requirements of District Plan Policy DP34 and the relevant paragraphs of the NPPF.

Thanks,

Emily

Please note that this advice is given at Officer level only and is without prejudice to the formal decision of the District Council.
