Reasons for comment:	
Comments:	Lucie Mason Flowers: Subject: Letter of Support for Planning Application DM/25/2223 To the Planning Department, I am writing as the owner of Lucie Mason Flowers to formally register my full support for planning application DM/25/2223. As a local business owner, I see the tangible benefits this annual event brings to our community. The influx of visitors doesn't just benefit accommodation providers; it creates a vital ripple effect for high street businesses and creative services like ours. The reasons for my support include: - Increased Local Spend: During the event period, we see a noticeable uplift in demand for floral arrangements, gifts, and event décor from both visiting organizers and local hospitality venues. - Off-Peak Vitality: Hosting this event outside the busy summer season is crucial. It provides a necessary revenue boost during the "shoulder months," helping small businesses maintain steady trade and staffing throughout the year. - Community Profile: This event shines a spotlight on our area, encouraging repeat visits and reinforcing the reputation of our local business network. As a business that takes pride in serving and employing people within this community, I believe that supporting this application is an investment in the long-term health of our local economy. I strongly urge the council to approve this application. Yours faithfully, Lucie Mason Owner, Lucie Mason Flowers
