ARCHAEOLOGICAL ADVICE

RE: Twinham, 34 Hurst Road, Hassocks

The application is for Discharge of planning condition No 5 relating to planning application DM/25/0310.

The revised Written Scheme of Investigation suitably addresses the issues raised in my previous correspondence, and as a result I am happy to recommend the discharge of Condition 5(i).

The remainder of Condition 5 should not be discharged until the completion of the required archaeological work (ii) and the submission and approval of a report detailing the results of the same (iii).
