Comments Details

Comments:	The Committee of 9th March would Recommend Refusal. The Committee shared the concerns of residents in the local vicinity and requested that West Sussex County Council Highways and the Police are consulted with regard to traffic, noise and potential anti-social behaviours as expressed by the MSDC Environmental Protection Team. Concerns were also expressed about litter. If MSDC were minded to approve the application the Committee requested suitable conditions are added to restrict the operating hours of the Drive Thru and the permitted times of deliveries to outside the extended hours, to protect residential amenity.
