Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	I am in support that the building is used as a community facility. I would like to comment on a couple of points. 1. The second plan that has been submitted shows more land being taken into account than the first plan but no information as to why - needs clarification. 2. Information required as to the access of the land (not the buildings) shown in the plan and to the existing footpath that cuts

across that part of the Woodgate Green. This is to cover for future use by anyone else than for a Woodgate Community concern.

Kind regards
