Reasons for comment:	
Comments:	This application is just a means to an end in attempting to get permission for the housing development on the other side of the road. I suppose you could call it bribery but I guess developer would call it 'giving back'. Well in my view no 'country park will reimburse residents in the area for the loss of unspoilt farmland, ancient woodlands and countryside which I along with many others, enjoy walking the network of footpaths. This application and the housing proposal must be thrown out and not permitted to be applied for again

Kind regards
