ARCHAEOLOGICAL ADVICE

RE: Twinham, 34 Hurst Road, Hassocks

The application is for Discharge of planning condition No 5 relating to planning application DM/25/0310.

The submitted Written Scheme of Investigation (WSI) contains most of what is required, but should be amended to include a commitment to store the digital archive from the project with the Archaeology Data Service (<https://archaeologydataservice.ac.uk/>).

Until an amended WSI is submitted committing to the above then I recommend that Condition 5(i) is not discharged.
