Reasons for comment:	
Comments:	I live in Hove but work in Ditchling. I can never get on the padel courts in Hove as always busy. A new padel centre at EIXO would be an excellent way to continue my love of padel. The opportunity to just pay and play with other like minded players and build a padel community would be an extra benefit. The fact it also has a kids court will encourage young children to play and learn padel as well. This is an excellent scheme and I thoroughly support it.

Best Wishes
Alex

Kind regards
